

Registering with the New Safer Together Website

A new hub for members to connect with and access Safer Together resources (products, initiatives, tools, training, news, events and more) has been launched. Registering with the new website is easy:

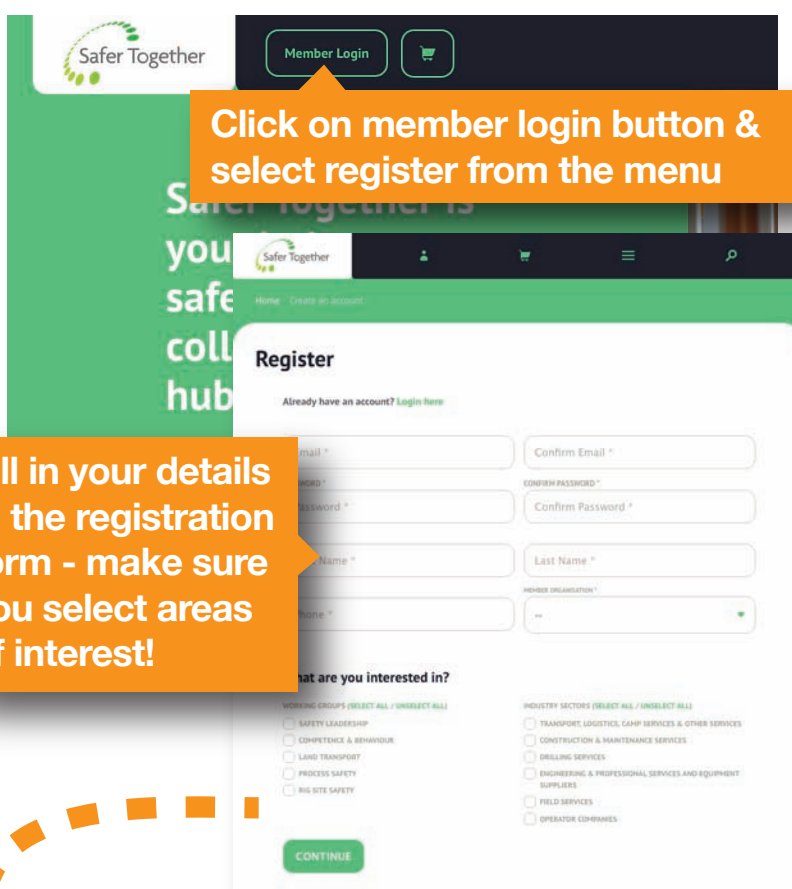

1

Go to www.safertogether.com.au

2

Click on member login button & select register from the menu

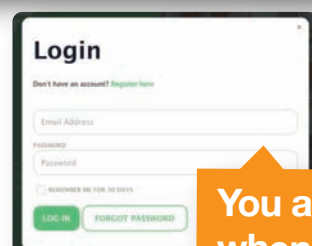

3

Fill in your details in the registration form - make sure you select areas of interest!

4

You will get an email to confirm your registration

You are now able to login whenever you like
