Notes:

- The Safer Together ISI Standard requires that all New Starts satisfactorily complete Industry Safety Induction training prior to working on the development or operation of Facilities in the Queensland Natural Gas E&P Industry. A New Start is anyone who has not worked for at least 12 months in the last 2 years in the Queensland Natural Gas E&P Industry.
- To demonstrate compliance with the ISI Standard, workers may be required to provide the following prior to working on the development or operation of Facilities in the Queensland Natural Gas E&P Industry:
 - Evidence of satisfactory completion of Industry Safety Induction training (New Starts only), or
 - A completed Experienced Worker Declaration.
- Verification evidence may be requested by the Facility.
- Individuals and organisations making a false declaration may be subject to consequences in accordance with the Facility's Safety Management System.
